

Message from Master Saddlers Competition Winner

May I take this opportunity to thank the Side Saddle Association, for supporting the National Saddlery Competition at Saddlers Hall in London. I would also like to thank Janet Senior, for her wisdom, and the time that she spent with me after the judging. I was lucky enough to win this year's side saddle class it is a great honour to take home the challenge trophy. I have yet to stop grinning, to continue to encourage the growth in our sport is a passion held very close to my heart.

Many thanks

Clare Barnett.
