

Area 12 Are Tough Mudders!

Five Committee Members from Area 12 (Zoe Bateson, Sally McKenna, Mary Tonks, Kerry Harrison and Alex Molesworth St Aubyn) and a friend called Adam! took part in the Tough Mudder Half at Belvoir Castle on 14th May 2016 to raise funds for Area 12.

The course was just over 5 miles and 14 obstacles, some easier than others! One key component in most obstacles was either mud or cold water! There were over 1000 entries on the day and many teams taking place of all shapes and sizes and some in fancy dress. All the Committee, despite some reservations before-hand, really rose to the challenge and pulled together as one to get round, injury free. They would like to thank everyone who supported and sponsored them on the day. The total raised will be announced at their Summer Show on Sunday 29th May.
