

SIDEWAYS AT BRITISH DRESSAGE TEAM QUEST

On 13th June 2015, four intrepid ladies entered the British Dressage Team Quest Competition at The College of West Anglia Cambridge Campus. For the previous six months or so they had all been coached on hired horses once a month at the college by Philippa Kemp-Welch. The team were named "Legover Ladies" and were the only team to compete that day riding side saddle. The team won the Adult Section.

The photo below shows SSA Area 4 Member Jennifer Blenkiron riding "George" one of the horses from the College, they were equal first in the first dressage test of the day, which was a great result especially as Jennifer has two artificial hips!

Pictured below is the winning team: Jennifer Blenkiron and George, Anne Felvus and Jack, Coralie Chung (also an Area 4 Member) and Rolo and Katharina Lore and Jola. All the horses belong the College. Photos and Legover Ladies polo shirts courtesy of Rob Morris Photography.
